<b>General Electives 15 credits</b>	Minimum grade of 1.0 is required. Maximum of 15 credits of courses numbered 100 and above may be applied to this area. Credits may include physical activity ( <b>three</b> credits maximum), cooperative education, courses taken under Pass/No Pass option, independent study, etc. COLLG 110 required with a 2.0 grade or better.
<b>Reciprocity Policy</b>	Washington state community and technical colleges have adopted an Inter-College Reciprocity Policy designed to help students transfer courses that have met distribution requirements at one community or technical college to another. This policy does not address transfer of courses between two-year and four-year colleges. • Individual Courses: if a student transfers an individual course that meets a Communication Skills, Quantitative Skills or Distribution Requirement for a specific transfer degree at the sending two-year college, that course is considered to have met the Pierce requirement for a similar transfer degree, even if the course does not have an exact equivalent at Pierce. • Distribution Areas/Specific Requirements: Pierce will accept an entire Distribution, Communication Skills, Quantitative Skills or other requirement for a transfer degree as met if that student has met certain requirements. It is the student's responsibility to initiate the reciprocity process and notify the Evaluations Office if transfer courses fall into the Inter-College Reciprocity Policy. For more information go on-line to <a href="http://www.sbctc.edu/college/education/reciprocity_policy_revised2011.pdf">http://www.sbctc.edu/college/education/reciprocity_policy_revised2011.pdf</a>
<b>&amp; Common Course Numbering</b>	Effective Summer Quarter 2008, Pierce College implemented the statewide Common Course Numbering (CCN) system. Go on-line to <a href="http://www.pierce.ctc.edu/go/ccn">www.pierce.ctc.edu/go/ccn</a> for additional information.
