<p align="center">Business Specific Courses 20 credits</p>	<p>Minimum grade for business major-related courses is a 2.0. These courses are denoted on this degree sheet by an asterisk (*). Universities with a lower division Business Law requirement: UW (all campuses), WSU (all campuses), EWU, CWU, WWU, Gonzaga, SMU, SPU and Whitworth. The following institutions do not require a lower division elective, but generally not as an equivalent to the course required at the upper division: Heritage, PLU, SU, and Walla Walla University. International students who completed a business law course specific to their home country must take a business law course at a U.S. institution in order to demonstrate proficiency in U.S. business law.</p>
<p align="center">General Electives 5 credits</p>	<p>Minimum grade of 1.0 is required. Maximum of 5 credits of courses numbered 100 and above may be applied to this area. See notes below or check four-year information for an appropriate elective course needed, e.g., world language, computer course requirements. For institutions have requirements for admission to the major that go beyond those specified above. Students can meet these requirements by careful selection of the elective University Course Equivalent to: UW (all campuses): Management Information Systems - MIS 250, Gonzaga: Management Information Systems - BMIS 235, PLU: Computer Applications - CSCE 120, either an equivalent course or skills test, SPU: Spreadsheet - BUS 1700 or equivalent course skills test. A maximum of three PE activity credits can be applied to this degree. COLLG 110 required with a 2.0 grade or better.</p>
<p align="center">Notes</p>	<ul style="list-style-type: none"> •Minimum grade-point average requirements are established by each institution. Meeting the minimum requirements does not guarantee admission. Business programs are competitive and may require a higher GPA overall, a higher GPA in a selected subset of courses or a specific grade in one or more courses. •Students who enrolled prior to Fall 2012 have a two-year grace period to transfer. •Other college-level courses, of which a maximum of fifteen credits may be in college-level courses as defined by the community college and the remainder shall be fully transferable as defined by the receiving institution. Where appropriate, preparation courses for the major should be included in this course work.
<p align="center">Reciprocity Policy</p>	<p>Washington state community and technical colleges have adopted an Inter-College Reciprocity Policy designed to help students transfer courses that have met distribution requirements at one community or technical college to another. This policy does not address transfer of courses between two-year and four-year colleges.</p> <ul style="list-style-type: none"> •Individual Courses: if a student transfers an individual course that meets a Communication Skills, Quantitative Skills or Distribution Requirement for a specific transfer degree at the sending two-year college, that courses is considered to have met the Pierce requirement for a similar transfer degree, even if the course does not have an exact equivalent at Pierce. •Distribution Areas/Specific Requirements: Pierce will accept an entire Distribution, Communication Skills, Quantitative Skills or other requirement for a transfer degree as met if that student has met certain requirements. It is the student's responsibility to initiate the reciprocity process and notify the Evaluations Office if transfer courses fall into the Inter-College Reciprocity Policy.
